2017 UCSF Clinical Data Colloquium - Where to get Help

May 10, 2017

Referrals:

- CTSI Research Navigation Services: researchnavigation@ucsf.edu

Partners/Consultation Services:

- CTSI Consultations: accelerate.ucsf.edu/consult
- Statistical or Computational Core Partners:
  - Cancer Center - Computational Biology Core: http://cbc.ucsf.edu/
  - Gladstone: BioInfx, BioStats for –omics; Network Biology: https://labs.gladstone.org/bioinformatics/home
  - ISU: application development: http://isu.ucsf.edu/contact-us/
  - Quantitative Image Processing Center: Biomedical Imaging Services: https://radiology.ucsf.edu/research/core-services/quipc#-
  - RBVI SACS: Sequence analysis - Genomics; biological networks; Cytoscape plug-ins: http://www.sacs.ucsf.edu/Consulting/index.html

Training:

- UCSF Clinical Tools (MyResearch, REDCap, RDB): myresearch.ucsf.edu/training
- Programming (R/Python/SQL)/Data Visualization Courses: library.ucsf.edu/data-science
