Contracting, sharing data with 3rd parties

[Use this great tool](#) to find out who to work with

Find Office Responsible

Search by selecting both the Sponsor Type **AND** the Agreement Type of the proposal or award in question.

For incoming subcontracts, please select the **prime** Sponsor Type to determine the responsible office.

Subcontract proposals for SBIR/STTR applications with deadlines before September 5, 2015, will continue to be handled by ICD. Awards made prior to September 5, 2015, will also be processed by ICD.

Please consult the [Responsibility Matrix](#) to see this information in grid form.
